A Word From The Publisher

Summer is officially here! We have had a mild Spring with plenty of rain. Summer time heat will be upon us for a while. If you are planning on shooting Skeet in the heat, be sure to hydrate, hydrate, hydrate!

Debbie and I had a lot of fun at the Briley Louisiana Open. We will share pictures from that shoot in our next issue. Several people have shared some nice photographs with us from that shoot. If you missed it, perhaps you can make it next year.

There are a lot of shoots happening in the Summer months. We have flyers for many on our website. If your club's flyers are not posted on our website, let us help you promote your shoots. Send your flyers to us at: publisher@redchutegazette.com.

Louisiana Skeet shooters still have time to register for the **75th Annual Louisiana State Skeet Championships**. Rotation 1 is full but we have some spots on 2 and 3. Let me know if you want to come to this Diamond Jubilee. Sorry, Louisiana residents only for this one.

The **Arkansas State Skeet Championships** will be held the same weekend as Louisiana's, July 11 through 13. The Arkansas shoot is an Open which means out of state shooters are welcome. The good folks at Blue Rock Gun Club would love to have you.

Don't forget to register for the **Zone Championship for your Zone. The Zone VI Championships** will be held at the National Shooting Complex August 1—3. For more information go to <http://www.zonevi.org/2014/>.

Until I see you on the Skeet field or in these pages, I am wishing you 3 @ 8.

Most Sincerely,

Doug Frey

Gertrude Hurlbutt Open

The end of May brought the Gertrude Hurlbutt Open and 20 competitors to shoot the game named by Gertrude many years ago. It also brought mild temperatures and a 50% chance of sunshine. All of the rain fell in Shreveport. On the East side of the Red River all we had was clouds to give us some relief from the morning sun. Not a drop of rain fell on our parade!

A few of our shooters shot registered targets only rather than compete in the 20 Gauge Event and the .410 Bore Event. We were happy to accommodate them.

Kadden Crawford 20 Gauge Champ

Debbie Frey made some Four Layer Delight, which is always a big hit with this crowd. We waddled out to the field for the "Little Gun".

Lloyd Webb fired up the grill and prepared some monster size burgers, hot dogs and bratwurst and onions. He also prepared some delicious baked beans. We were all fueled up for the .410 Bore Event after lunch.

Lightning Open

The **Hurlburt Clay Target Sports Club** hosted the **Lightning Open** 23-25 May. Thankfully there was no lightning; although the towering cumulus that rolled by to the North on Sunday did provide some nice cloud cover. One thing's for sure: summertime has just about arrived on the Florida Panhandle.

We had six doubles shooters go for it Friday afternoon. Jay Edwards, from the Ft. Rucker area, took Doubles Champ with a 96. Ralph Aaron, from Ft. Rucker, was Runner-Up with 92, and Keith Kimbrell, shooting in his first registered tournament, took 3rd with an 81. John Henry, also from Ft. Rucker, won B1 and Brett Wisdom, shooting in his first registered competition as well, won D1.

Saturday morning saw 12 shooters in the big gun competition. Mark Beaudoin from Havana, FL took 12 Gauge Champ with a 98, while Jay Edwards, Joe Levine, and Will Jones shot off 97s for Runner-Up. Joe prevailed in the shoot off, leaving Jay with 3rd and Will with C1. Class winners included Ralph Aaron A1, Ron Schaffhauser from Panama City B1, Ken Mills D1, and Brett Wisdom E1. We then feasted on crawfish étouffée for lunch, compliments of our Range Manager Jim Butterworth. Afterwards, we had 11 shooters take the field for the 20 gauge competition. Jay Edwards shot a 99 to take 20 Gauge Champ, while Mark Beaudoin and Ron Schaffhauser took Runner-Up and 3rd with 97 and 96 respectively. Class winners were Ralph Aaron A1, Wyatt Hampton B1, Larry Tessier, from Ft. Rucker C1, and junior shooter Jacob Lucas D1.

Sunday started out clear and muggy. Ten shooters got to work with the 28 gauge, with Joe Levine pulling down 28 Gauge Champ with a 98. Will Jones took Runner-Up with 97 and Norman Young was 3rd with 96. Class winners included Jay Edwards AA1, Ron Schaffhauser A1, Ralph Aaron B1, and Wyatt Hampton D1. After a lunch of burgers and brats, the same 10 shooters went to work with the little gun while the thunderstorms menaced to the North. Once again Joe Levine prevailed to win .410 Champ with a 96. Jay Edwards took Runner-Up with a 94 and Ron Schaffhauser was 3rd with 93. Ralph Aaron took B1 and Larry Tessier took D1.

In the HOA, Jay Edwards was our Champ with 385. Joe Levine took Runner-Up with 382 and Ron Schaffhauser was Third with 377. Class winners included Will Jones B1 and Larry Tessier D1.

Special thanks to Charlie Heifner, Mike Carmody, and Will Jones for refereeing; to Jim Butterworth for the awesome crawfish étouffée; and to Brett Wisdom, Keith Kimbrell, Rick Felix, Mike Schimmer, and Chris Gere for their hard work keeping everything on track and running smoothly.

Our next shoot, the Summer Breeze Open, is scheduled for 18-20 July. Summertime will be in full swing with white sand, emerald green water, and some great shooting, food, and fellowship. We hope you'll make plans to attend! Cheers.

Free Targets for New Members, Rebates for Clubs

The National Skeet Shooting Association is offering clubs an incentive to enlist new NSSA members, and those new members will be rewarded for joining at your club.

As a member club, you will receive a \$5.00 rebate for every regular, six-year or life membership sold — no limit! And, those new members will receive two free rounds of skeet (which NSSA has valued at \$10.00) with their new membership (excluding associate memberships).

This new program is an effort to create a new customer base for our clubs, grow participation in our sport, and increase NSSA membership.

Here's how it works:

- Your club will receive a new member enrollment pad, courtesy of NSSA. This pad will feature a tear-away membership form and voucher for targets.
- An individual purchasing a new membership will be required to fill out the form from the pad. The club will collect the dues and the membership application. The new member will be given the voucher for their two free rounds of skeet.
- The voucher can be redeemed immediately at the club where the membership was sold or at that same club on a later date.
- The club will mail the membership application, dues owed to NSSA, and the voucher (if applicable) to NSSA headquarters.
- The club may elect to receive either the \$5.00 rebate OR \$15.00 value in Bonus Bucks.
- The club will send the membership dues less \$15.00 (if you choose to receive Bonus Bucks instead of the \$5.00 rebate, you will send membership dues less \$10.00) to Headquarters with the voucher and application. For Junior Memberships, the club will send the membership dues less \$10.00 with the voucher and application to Headquarters. *(Please note that, due to their minimal cost, Junior Memberships are not eligible for the \$5.00 rebate or Bonus Bucks credit; however, we ask that this not hinder you from selling these memberships. Junior shooters are the future of our sport, and we hope that you recognize the growth they can bring to your club)*

Funnies

Baby Crawfish:

A baby crawfish and its mother were walking along a ditch when the baby crawfish who had gone ahead, comes flying back down the ditch. The mother followed and asked, "What is the matter?" The baby crawfish answers, "Look that big thing right there." The mother says "Don't worry about that; it is just a cow." So they keep walking. Then the baby crawfish comes flying down again. The mother asked again, "What is the matter?" The baby says look at that thing right there. The mother says "That is just a dog; it will not hurt you," so they kept walking. Then suddenly the mother goes flying by the baby crawfish. The baby crawfish asked its mother what's wrong, and the mother said, "Run! That's a Cajun and they eat anything

Johns Hopkins Weight Study

The National Institute of Health has just released the results of a \$200 million research study completed under a grant to Johns Hopkins. The new study has found that women who carry a little extra weight live longer than the men who mention it.

Krieghoff K-32 12ga complete gun, #473. 30" barrels choked IM/F. Monte Carlo style stock, 1-1/2"DAC x 1-1/2"DAH x 14-1/8"LOP. This is an older K-gun with lots of life left in it. Wood is very decent with a few marks - not worthy of refinish. Original bluing is very good. Would be a great skeet gun with the addition of Briley thin walls or choke honing. \$1,650 shipped to your FFL or C&R license.

THE RED CHUTE GAZETTE DEAL

Mission Statement

The goal of the **Red Chute Gazette** is to promote the game of American Skeet. Our target market includes Alabama, Arkansas, Louisiana, Mississippi, Missouri, Oklahoma, Tennessee and Texas.

Our goal is accomplished through publication and distribution an Internet only magazine containing items of interest to those individuals participating in, promoting and supporting registered skeet shoots. Subject matter includes calendars of upcoming events, shoot flyers, shoot reports and pictures. Also included are articles and stories about bird hunting, travel and food.

The Deal

The **Red Chute Gazette** will publish flyers advertising registered skeet shoots for your gun club at **no cost** to your club. Simply send us your flyer in Microsoft Word or PDF format via E-Mail. **That's FREE!**

The Catch

If we agree to publish your shoot flyers, you agree to provide us with a shoot report, write-up or article suitable for printing in the **Red Chute Gazette**. Include pictures (jpeg or gif files) if possible. It doesn't have to be lengthy and it doesn't have be worthy of a Pulitzer. Just tell or show our readers about the fun you had.

What about Sporting Clays and Trap or other events?

The mission of the **Red Chute Gazette** is to promote interest and participation in registered Skeet. Sporting Clays and Trap are not subjects we focus on. We recognize that many gun clubs offer events other than Skeet. We are happy to provide commercial advertising space for clubs that wish to promote other shooting related events.

Please contact us for our very reasonable rates for commercial advertisers
